VantageOne Credit Union and our Peachland branch would like to thank our members and the community of Peachland for your continued support.

"It was great to see how successful the contest was and to watch it spread through Peachland by word-of-mouth and referral, we could really feel the support of the community", says Erin Chadwick, Account Manager at the Peachland branch. "We are proud to volunteer and donate to many great causes in this community, and to see support come back to us with people choosing to invest locally with VantageOne, really meant a lot!"

We would also like to take this opportunity to remind members, we are here for you, and we know you need our advice and support now more than ever.

"During this difficult time we have been working hard to accommodate our members and still offer them all the help they need with the great service they are used to," says Lenka Anderson, Member Services Manager at the Peachland branch, "We are here to help you with everything from opening accounts to guiding you through online banking or any ATM help you may need. Please do not hesitate to call us with any questions you may have."
