

YOUR FINANCIAL ADVISOR

Konrad Pimiskern

"My mission is to ensure you receive the expert advice you require to improve your financial security and achieve your wealth goals and dreams."

About Me

For whatever life's next milestone or pivot point is, I am here to assist you with all aspects of wealth management. With over 25 years of experience in the industry guiding every client interaction, I have an inclusive approach to wealth management that takes into account the unique mindsets behind multigenerational families and successful small business owners.

I graduated with a Bachelor's in Business Administration (Finance) from Washington State University as a scholarship student-athlete (football) in 1993 and was licensed to sell securities in 1995.

A native of Horseshoe Bay, West Vancouver, I now call the Okanagan home after relocating with our family to Kelowna in 2000. I am a happy husband to Cathy and proud father to Samson, Sydney and Jared. Fishing the local lakes is my passion from spring until fall and during the winter I spend my recreation time skiing our local mountains.

My Approach to Helping You

Everyone's financial and wealth management needs are unique. I believe that personalized service is essential when it comes to matching you with the right financial security products and services.

I am dedicated to learning about your personal goals and together we will work towards developing and implementing a simplified and comprehensive strategy to achieve them.

Overall, my mission is to ensure you receive the expert advice you require to improve your financial security and achieve your wealth goals and dreams.
